OFFICIAL 2026 HOMEOWNER CHECKLIST

PM Surya Ghar Application Checklist for Kerala

Use this printable checklist before registering on the National Portal. FGE Solar — MNRE empanelled across all 14 Kerala districts — can handle your eligibility check, portal registration, installation, and KSEB net metering.

CENTRAL FINANCIAL ASSISTANCE (RESIDENTIAL)

SYSTEM SIZE	CFA AMOUNT
1 kW	₹30,000
2 kW	₹60,000
3 kW and above	₹78,000 maximum

Current CFA guideline: ₹30,000/kW for first 2 kW + ₹18,000 for the additional third kW, capped at ₹78,000. Subsidy scheme rates are revised periodically — confirm the latest CFA on the National Portal before applying.

QUICK ELIGIBILITY SELF-CHECK

- [ ] Indian citizen with valid KSEB electricity connection in your name
- [ ] Residential consumer applying for PM Surya Ghar rooftop subsidy
- [ ] Have not already received PM Surya Ghar subsidy on this KSEB consumer number (one-time per connection)
- [ ] Installing through an MNRE-empanelled vendor (e.g. FGE Solar)
- [ ] ALMM-listed modules and adequate unshaded roof area
- [ ] Bank account in applicant name for subsidy transfer

DOCUMENTS — SUBSIDY ONLY

- [ ] Latest KSEB electricity bill (consumer number visible)
- [ ] Bank proof — passbook front page or cancelled cheque leaf showing **applicant name, account number and IFSC** (all three required)
- [ ] Aadhaar card (recommended for name verification on the portal)
- [ ] Mobile number linked to Aadhaar (for OTP on portal)
- [ ] Email ID for portal registration
- [ ] Written quotation / system proposal from empanelled installer

DOCUMENTS — IF TAKING BANK LOAN (ADDITIONAL)

- [ ] Property ownership proof (sale deed / tax receipt / possession certificate)
- [ ] PAN card of applicant
- [ ] Bank passbook from a **nationalized bank** (mandatory for loan cases)

Not sure if you qualify?
WhatsApp your latest KSEB bill — FGE Solar will confirm PM Surya Ghar eligibility, recommend system size, and explain next steps. Free. No obligation.

COMMON CONFUSION

"Subsidy is paid upfront before installation."

THE REALITY

CFA is processed after installation, DISCOM inspection/approval, and required portal checks on pmsuryaghar.gov.in.

FGE tip: Send us your document photos on WhatsApp before portal upload — we catch missing IFSC details and blurry scans early, so your application moves faster.

PM SURYA GHAR STEP TRACKER

APPLICANT NAME: _____

KSEB CONSUMER NO.: _____

DISTRICT: _____

APPLICATION & INSTALLATION MILESTONES

1. **Register on pmsuryaghar.gov.in**
   Basic details + KSEB connection submitted
2. **Technical feasibility / DISCOM stage**
   Track live status in portal (KSERC 2025 process applies in Kerala)
3. **Select FGE Solar on the portal**
   Choose FGE Solar / Future Green Energy Group from the MNRE-empanelled vendor list
4. **Sign agreement & upload documents**
   FGE Solar prepares and submits your portal file pack
5. **Rooftop installation by FGE Solar**
   Panels, inverter, protections, commissioning — typically 2–4 days
6. **Project completion report filed**
   FGE Solar uploads completion details on the portal
7. **KSEB / DISCOM inspection**
   Technical inspection — FGE follows up on scheduling
8. **Net meter installed**
   KSEB commissions bidirectional meter for export credits
9. **CFA processed after approvals**
   Subsidy credited to beneficiary bank / eligible loan account — timing varies

WHY HOMEOWNERS CHOOSE FGE SOLAR FOR PM SURYA GHAR

- ✓ Free site assessment & system sizing for your roof
- ✓ KSEB net metering application & follow-up included
- ✓ Serving all 14 districts across Kerala
- ✓ Full portal registration & document submission handled
- ✓ ALMM-listed panels with written warranty & scope
- ✓ Itemised quote showing subsidy & your net cost

BEFORE YOU SIGN WITH ANY INSTALLER

- ☐ Written itemised quote (capacity, brands, warranty, scope)
- ☐ ALMM-listed module and inverter details confirmed
- ☐ Who handles KSEB / portal paperwork clearly stated
- ☐ Installer is MNRE-empanelled & selectable on pmsuryaghar.gov.in
